5.9 - 6 STAR

PEOPLE

DELIVERY

WARRANTY¹

Rheem Metro Continuous Flow Builder models are the right choice for your projects. They guarantee hot water that never runs out, with quality and performance to add value and peace of mind.

Both 60°C and 50°C models:

- 60°C hot water for kitchen and laundry – where 50 or 55°C is often not hot enough²
- 50°C models provide the added safety of a fully-tempered home at 50°C (without the cost of a tempering valve)²
- 50°C models adjustable to deliver 50°C at the nearest tap
- Remote Temperature Controller options for added convenience and safety
- Digital display for easy fault diagnosis and service
- 10 Year Warranty¹
- Flamesafe[®] overheat protection – shuts down the heater before overheating can occur
- Rheem Q Factor – hot water every time, at a steady temperature even when multiple taps demand hot water
- Technical support via Rheem's National Service Network
- Wall Mount Security Bracket available – for added water heater security (refer to illustration overleaf)
- Natural Gas or Propane
- Frost protected down to -20°C
